This has two manifests not included in the last email (12/26/18 and 2/12/19), but is missing one 2018 manifest (5/31/18 to SET).

I'm still waiting for a copy of the 2016 annual report.

Tina,  
Attached are all the manifests for 2018 and 2019.

Also, I believe you took photos of the drum labelled 2015 on the lid. Did you take one of the manufacturers stencil? It is visible thru the area where the four drums are strapped together. It has a date of 05/02/2018, my assumption is that is the date of manufacture for the drum which if true would show that drum has not been here since 2015.

Thank you,

And what about 2018/2019? Did I get all those manifests? I have the following:

1/2/18  
2/22/18  
5/31/18 (2 of them)

9/12/18

No manifests from 2019

Tina,

Attached is a copy of the manifests given to Ramboll for 2017. I was able to find a physical copy of every manifest in submitted to Ramboll. I did find an additional manifest that was not included in the submission to Ramboll dated 1/11/17.

Again, thank you for your patience,
